# Introduction

## Dear Candidate

Thank you for your interest in joining Springboard as a Youth Development Worker (full time).

At Springboard, we're very proud of the work we do to help young people and adults increase their choices and opportunities. We work alongside and support our participants as they navigate their development and feel privileged to be part of their journey.

The role will work with young people aged 16-24 years, facing disadvantage, and support them to engage positively with others from a different background and increase personal, civic and employability skills.

We're as keen to develop our staff as we are the young people we support, so this role offers a great opportunity for personal development and growth.

Our values and our participants guide us in everything we do, so if you are as passionate as we are, about using your experience to support young people, we would love to hear from you.
